### Notice

This CD contains information that is proprietary to RADWIN Ltd. ("RADWIN"). No part of this publication may be reproduced in any form whatsoever without prior written approval by RADWIN Ltd.

Right, title and interest, all information, copyrights, patents, know-how, trade secrets and other intellectual property or other proprietary rights relating to this manual and to the WINLINK1000, RADWIN 2000 and RADWIN 5000 (hereinafter: "RADWIN products") and any software components contained therein are proprietary products of RADWIN protected under international laws and shall be owned and remain solely owned by RADWIN.

RADWIN is a registered trademark of RADWIN Ltd. No right, license, or interest to such trademark is granted hereunder, and you agree that no such right, license, or interest shall be asserted by you with respect to such trademark.

You shall not copy, reverse engineer, reverse compile nor reverse assemble all or any portion of the CD or the RADWIN products. You are prohibited from, and shall not, directly or indirectly, develop, market, distribute, license, or sell any product that supports substantially similar functionality as the RADWIN products based on or derived in any way from them. Your undertaking in this paragraph shall survive the termination of this Agreement.

This Agreement is effective upon your opening of the RADWIN product package and shall continue until terminated by RADWIN. RADWIN may terminate this Agreement upon the breach by you of any term hereof. Upon such termination by RADWIN, you agree to return to RADWIN the RADWIN products and all copies, derivative works and portions thereof.
